

WORLD SIGHT DAY

8th October 2015

Free Eye Check up and Awareness Camp

Organized by

National Association of Man for Mankind
(NAMM)

Supported by

Campaign on the eve of World Sight Day

In observation of 'World Sight Day', The Hans Foundation along with Ministry of Social Justice and Empowerment hold an awareness campaign for prevention of avoidable blindness, on 8th October, 2015. In order to spread the message and making this campaign successful, National Association of Man for Mankind with the support and guidance of the Hans Foundation, New Delhi organized the free health check up and awareness camp. The full day camp was organized in Arra and Kuldiha village of Nayagram block of West Bengal.

Dr. Piyush Prakash Mohapatra, Eye Specialist facilitated the whole programme. Throughout the day eye check up has been done for 142 persons and additionally we reached to nearly 800 persons and created awareness.

Activities Carried out on the World Sight Day

- After getting the information from the Hans Foundation, we had conducted the team meeting and discussed the possibilities. All the team members of NAMM decided to create awareness among communities by using the opportunity of World Sight Day.
- Our medical team put their best efforts and identified an eye specialist to conduct camp. Dr. Piyush Prakash Mohapatra conducted the programme.
- As part of the programme, we had conducted free eye check up camps and awareness programmes.
